The Ulster

In the above we present to our readers the program and the cast of characters in "The Ulster," to be given in Union Hall in June by the High School pupils.

Those taking part are studying diligently and meet at daily rehearsals, and are using their whole energy to make this, the first play they have ever given the best possible.

They are being instructed in their parts by their teachers and theatrical talent and will without doubt present a play that will be worth the seeing.

Let us encourage their efforts by buying plenty of tickets and attending the performance, and incidentally bring a pocket piece along with which to buy one of the "Golden Bears," a publication issued in book form annually by these students.

The "Golden Bear" is now in the press room of this office and we feel safe to say the students of the High School will issue this year and have on sale the night of the performance the best book ever issued, replete with cuts, poems, stories, jokes and an "Ancestors Bureau," in which the oldest residents may look up their history.

Another Newspaper

Petaluma is to have a new paper. It will be a semi-weekly morning paper and will be named the "Sonoma County Independent." Mrs. Anna Morrison Reed will be the editor and sole proprietor. The paper will be published at the printing office of the Keller Reed Company. It will be independent in its policy and will deal in the best interests of the whole people, irrespective of creed or party and will take a decided stand on all vital topics. The new youngster will make its initial appearance the second Wednesday in June. The subscription price will be \$1.00 a year. Mrs. Reed, the editor, is the author of the local option bill which was introduced by Judge McGarvey and became a law of California.

Appointed Auditor

At the regular session of the State Federation of Women's Clubs held at Del Monte last week Miss Meta Stofen was appointed one of the Auditors of the Federation. Miss Stofen is well known here, having resided in Sonoma for a number of years and is a lady that will bear credit to the order. Her many friends extending to her their congratulations in being chosen as an officer of this well known Federation of Clubs.

Smashes into Tree

Fred Wiseman tried last Sunday to break his own record around the bay of the Sunday before and unfortunately the trip ended with disaster. When within half a mile of the Vendome Hotel, San Jose, and running at the high speed of 73 miles an hour his Stoddard Dayton struck a tree completely demolishing the machine and throwing Wiseman and his machinist, M. Peters, to the road side.

The impact was tremendous and it is a wonder that both Wiseman and Peters were not killed. Investigation proved that they had only been knocked unconscious and were badly bruised. The physicians in attendance gave out Monday that unless unforeseen complications arise both parties will be out in a few days.

D. M. Prentiss, of the Huts Auto Co., Santa Rosa was the starter of the run against time and returned from San Francisco Monday night. He states that the machine was running at a very high rate of speed when they struck a bad stretch of road, causing the car to jump and finally leaping in the air, all four wheels leaving the ground at once and literally flinging itself against a tree, the front wheels skidding a bit before the collision. The accident was not caused by part of the machine breaking, as Wiseman states the car was in perfect condition at that time.

Mr. Wiseman is a Santa Rosa boy and is well known in and around Sonoma, and his many friends learn with sorrow of his accident and wish both he and Peters a speedy recovery.

Burglar Caught

Sheriff William P. Taylor, of Marin Co., has discovered the man who tried to blow up the safe in the office of the station agent of the Northwestern Pacific Railroad Company at Novato on April 30th, this year in a hospital at Point Richmond. He is John Williams, alias John Kelly, and is said to have served four previous terms in the State prisons. Stolen property is said to have been found on him, and he will be brought to San Rafael as soon as he has recovered sufficiently to be removed to answer the charge of robbery. Sheriff Taylor went to California City to ascertain whether the nitroglycerine used by the burglar in his attempt to force the safe had been stolen from there.

The Western Pacific Railroad Co., has placed an order for forty five engines of the consolidation type, but of a new design, with the Schenectady plant of the American Locomotive Co.

In the last half century Japan has recorded more than 27,000 earthquakes.

Three Months (payable in advance) .50

FRIDAY, MAY 23, 1909.

Our City Trustees, and especially
the committee having the work in
charge on the plaza, are to be com-
plimented on their earnest and per-
sistent labors in keeping men contin-
ually at work. The citizens set a
good example on Sonoma Day and
we hope there will be no waits or
delays and that the work laid out
at this time will be finished to com-
pletion and our plaza take on a
crown of flowers and a bed of grass
in the near future.

The Standard Oil Company is now
putting one more industry into the
field, known as the Corn Products
Company, which manufactures glu-
cose, and which company will now
enter the candy business. This firm
will probably drive out of business
many small candy firms. Just wait
a short while and the Standard Oil
Company will be able to fill all your
wants, from phonograph records to
petroleum.

In another column appears a notice
calling the Board of Trade together
for the purpose of organizing again
on Monday evening in the city hall.
This is an excellent move and there
is plenty of work to be done.

Every citizen should be present
and lend a helping hand to make
this board strong and active.

Let us all go there with the expres-
sed purpose of working in harmony
and before starting from home hide
our hammers and leave our axes to
grind until some other time and place.

In harmony we will find strength
and in conflict nothing. Don't let
excuses keep you away for it is your
duty to help boost Sonoma.

Opens Villa

The opening of the El Verano
Villa for the season was held last
Saturday evening and was well at-
tended and those present report a
most enjoyable time.

Taking everything into considera-
tion the opening was a success from
start to finish.

Dances will be given regularly
throughout the season and excellent
music will always be in attendance at
this villa.

Large crowds are expected from
the city and elsewhere and there is
no question but that they will have a
fine time at the villa.

Memorial Day

There will be a literary and musi-
cal program on Monday morn-
ing next, at Union Hall, to
which all veterans whose names
could be obtained have been person-
ally invited, and at which it must be
hoped that there will be a large at-
tendance of the general public. The
Grammar School will attend in a
body and will take part in the pro-
gram, which will begin promptly at
10 o'clock, in order that at the close
all may proceed to Mountain Ceme-
tery where a short musical program
will be given and the graves of vet-
erans will be decorated.

The committee hopes that as many
as can will bring or send flowers to
the hall, to be used later for decor-
ating; and especially that all who
have carriages will bring them to
aid in conveying the veterans and
others from the Hall to the Cemetery.

A committee consisting of Mrs. J.
M. Cheney, Mrs. K. Bochar, Mrs.
P. Poppe, Mrs. G. G. and Mrs.
C. B. Brown have been appointed to
locate the graves and supervise the
placing of flowers.

Let this patriotic observance be
heartily participated in, and as an
honor to our old soldiers, living and
dead, and as an inspiration to the
children whose ideas of patriotism
necessarily are chiefly formed by
the example of their elders.

Summoned To Deathbed

Mrs. P. W. Angove left Sunday
morning for Stent, Calif., having
received a telegram Friday evening
summoning her to the bedside of her
father who has been in failing health
all Spring.

Word was received Tuesday from
Mrs. Angove that her father passed
away Saturday May 22 at 1 P. M.,
while Mrs. Angove did not arrive
there until Sunday.

Friends and neighbors in this
community extend sympathy to
Mrs. Angove in this her loss.

School Census

The school census of Sonoma County
for the year, 1909, just recently
taken, shows that the total number
of children in the county is 10,730,
as compared with 10,742 for last
year. This is a falling off of twelve.
The total number of white children
is 10,635, of negroes 7, of Indians 69,
and of Mongolians 19.

The total number of children at-
tending the public schools of the
county is 8,545. There are in attend-
ance at private schools 532 pupils.
The total number of children not at-
tending any school is 2,153. The
number of children under five years
of age is 4,021.

There are in Sonoma county 14,370
native born children under 17 years
of age; of foreign born children under
17 years of age 381. The total
number of children under 17 years
of age is 14,751.

Oh, Ye People of Sonoma!

Surely it is but I, the shade of
Hamlet, who hath come forth to cry:
"The play, the play's the thing."

And Hamlet is right. The play is
the thing. "The Ulster" is a warm
one. It is a play you will always
remember to praise to your children,
your grand children, yes, until the
end of your days. Shakespeare
could write well. He could write
plays. He did not write this play,
but when you hold the fine acting
you will think he did. You cannot
afford to miss it when the price is
only thirty-five and twenty-five
cents. Seats for sale at Lutgens'.

The curtain rises at 8 o'clock sharp,
Thursday evening, June 3rd, 1909.
If you don't come it will be as Suo-
ter says because "you're very funny
that way." At least quotes Quick.
"Precisions my strong point" and
be on time.

ANA NIAS.

Heap Likee Chup Suey

Last week the many friends of
Mrs. Carrie Burdette received an
invitation reading, "You Sabe Com-
ey havee Chup Suey." Callie Bur-
dette, Tuesday May 25, 1/2 past
2 o'clock.

On the day and hour set Mrs.
Burdette received them in her
home and there gave them a most
enjoyable afternoon and supplied
them with many new ideas in keep-
ing with the details of the party.

The rooms were decorated with
Chinese lanterns and red electric
lights; Chinese characters were pin-
ned up on the door, meaning "wel-
come" and when one entered it was
easy to picture themselves in a regu-
lar Chinese parlor fitted up for a
special occasion or feast day.

And a feast day it was too. The
refreshments being chiefly composed
of Chinese dishes. Chop Suey Ice
Cream being served with a miniature
Chinese flag stuck in the cream;
Chinese candy, birds nest, etc were
there in plenty and every one par-
took of the same with relish, meeting
with surprise in every dish, and find-
ing many good imitations of the Chi-
nese culinary art.

In the Mathematical Contest Mrs.
Anita Thompson won first prize and
Mrs. Robert Hall and Mrs. Bosworth
won the consolation prizes.

In the game of Seven and one half
Chinese money was used and Miss
Meta Stofen, Mrs. Henry Bates and
Mrs. Anita Thompson each won a
banner as a prize.

The following guests were present
and report the party as a thorough
success and one of the most delight-
ful events of the season:

Miss Emma Kenyon, Miss Anna
Kenyon, Mrs. A. Luce, Mrs. Rob-
ert Hall, Mrs. Harry Shaw, Mrs.
Florence Cutler, Miss Nana Drew,
Mrs. Henry Bates, Mrs. L. Lutgens,
Miss Doris Clewe, Mrs. Robert Hall,
Miss Meta Stofen, Mrs. Richard
Bosworth, Mrs. A. Ryland, Miss
Kate McDonald, Mrs. L. Simmons,
Mrs. S. H. Haven, Mrs. Anita
Thompson, Mrs. Pauline McMullin,
Mrs. H. Gottenberg, Miss Bessie
Knight, Mrs. G. H. Hotz, Mrs. W. H.
Hyde and Mrs. Mable Payne.

In By-Gone Days.

Through the courtesy of Mrs. Call-
erwood we are enabled to publish
a letter from Major Edwin A. Sher-
man also a poem written by Gen. M.
G. Vallejo in Spanish on Feb. 11
1888 and translated by Major E.
A. Sherman Feb. 14, 1909. Both
are well worth the reading and
should be kept for future reference.

Oakland, Cal.,
Feb. 19th 1909.

Mrs. Sophie Calderwood,
Sonoma, Cal.
Dear Madam:

Your favor of the 16th in re-
with enclosures came duly to hand
for which please accept my sincere
thanks. Now for a few corrections.
1st. The representation of the Bear
Flag itself is innocent in having the
words CALIFORNIA REPUBLIC on the
red stripe at the bottom. They
were in red letters above the
red stripe and beneath
the bear on the white cloth of
field. That flag we had in our Pioneer
Building in San Francisco and
was destroyed with it in the earth-
quake and fire in April 1906.

2nd. Henry Berson is not the sole
survivor of the Bear Flag Party.
John York, of St. Helena, Napa
County still survives, and I had him
with me at Monterey the same day
we were celebrating with Berson at
Sonoma; but I thank you very much
for sending me Berson's photograph.
I am glad you have a copy of the
Sunday Call of the 7th inst. contain-
ing my article for it is valuable on
account of its historical accuracy of
events and worthy of preservation.

I enclose two of the photo prints
who tried to steal the body of Lin-
coln. I have the photographs given
to me at Lincoln's Tomb April 15,
1885 from which the plates were made.

I hope the Legislature will pass the
bill for Gen. Vallejo's Monument in
Golden Gate Park, San Francisco,
but as the dandy said "the white
man is very unsuited." However I
am doing my level best for it.

There will be a fine Celebration at
San Jose on Dec. 20th next, when
there will be the unveiling of the
Statue of Governor Peter H. Bur-
nett, the first Governor of the State
of California on the 60th Anniversary
of the first organization of the State
Government and Legislature of Cali-
fornia, on Dec. 20, 1849 when Gen-
eral Vallejo was the first State Sen-
ator from the then Sonoma District.

I have a copy of an exquisite little
poem by Gen. Vallejo that was found
among his effects after his death. I
enclose a copy of it with my transla-
tion which his grandson Mr. Cutler
is highly pleased with. It ought to
be published in a Sonoma paper.
But I must close.

Yours Truly,
Edwin A. Sherman.

REMEMBRANCE OF ME

By Gen. M. G. Vallejo,
12th March Feb. 12, 1889.
Trans. by E. A. Sherman
Oakland Feb. 14, 1909.

Be my memory when I am dead,
When my heart is forever asleep;
And upon my sepulchre I've adorned,
The flowers of my tomb will there bloom.
Though never by me to be sent but my soul,
I am immortal. Never can perish
But in the night so placed and calm,
I like a faithful daughter shall search
In the midst of the shadows mysterious
An in the songs of the zephyrs that moan,
Will listen to the voice so fondly
That shall lead to "Remembrance of me!"

Fetters' Hot Springs

Mrs. Fetters announces that she
will have her grand opening of Fet-
ters' Hot Springs in about three
weeks.

She expects to have the hotel fin-
ished by that time and will have the
same furnished in fine style.

The furnishings are to be of the
best and the carpets, rugs, etc. will
be of heavy Brussels.

As soon as the hotel is finished
work will be started on the big bath
house.

High School Report.

We were honored by a visit from
Mrs. Mary Logan, this week.

"The Ulster," it is a warm one!
So be on hand Thursday evening.
Several posters are already doing
their bit of advertising.

That "University Man" is not
here yet! Every pupil is beginning
to say horrible things, by which
to express their delight.

Rev. Lee, of the Methodist Church,
preached the sermon for the grad-
uating class last Sunday evening.
A large congregation attended and
quite a few High School people.

Commencement exercises will be
held next Friday evening at Union
Hall. The public is invited. Our
graduates are: Helen Fussell, Sey-
mour Trowbridge and Western
Logan.

The "Golden Bear" will be out
for next Thursday night. Copies
will be sold at "The Ulster" for
twenty-five cents. Programs for the
play will be found in the book.
Come early and avoid the rush.

Tonight (Friday) a Senior recep-
tion and dance is to be held at the
High School Assembly Hall. The
Alumni and those interested in the
school have received invitations.
The Junior Class has taken the main
burden of the affair, and it certainly
will be a success.

ANA NIAS.

Agua Caliente Doings

Mrs. F. Shiley went to the metro-
polis Tuesday morning.

H. E. Jones, of San Rafael, is stop-
ping at Boyes' Hot Springs.

Mr. Rubke, of Shillville, is en-
joying a much needed rest at Boyes'
Hot Springs.

Andrew Gowans and Leonard
Thomas enjoyed a drive to Santa
Rosa Sunday.

Miss Elsie Richards will give a
violin solo at the commencement
exercises at the Dominican Convent
in San Rafael on June 1.

The first dinner in the dining room
of the beautiful new hotel at Boyes'
Hot Springs was enjoyed Friday
last by the many guests at that place.

Mr. and Mrs. Theo. Richards
will give their 8th anniversary of the
opening of Agua Caliente Springs on
Saturday evening, 29. A dance and
entertainment will be given.

Parente Brothers, of San Francisco
have bought a few acres from Mr.
Peck and will erect a number of
buildings on it and conduct the same
as a summer resort in the future.

Mr. John La Fargue, a laundry
man of San Rafael will take orders
for laundry throughout the valley,
commencing June 1st. He will ship
the laundry to San Rafael on Tues-
day and Thursday of each week.

An Ice Cream Parlor, barber shop,
magazine and cigar stand are among
the many improvements at Boyes'
Hot Springs. The German Sing-
ing Club of San Francisco will en-
joy a three day outing at the resort
commencing Saturday evening.

Messrs Borsch and Friedman, the
gentlemen who were going to
open a grocery and general merchan-
dise store near Boyes' Hot Spring-
have sold out their business interests
to Miss Florence Gowans and her
brother, Andrew. They will take
charge immediately and expect to
be open for June 1. Their many
friends wish them success in their
new undertaking.

Fresh crabs, clams and oysters
received daily at the California
Oyster Market and Chop House on
Broadway.

James A. Patten and his followers
have realized nearly three million
dollars of profit from their May
wheat. With but six more days to
run, the bull campaign has included
cash payment for 2,450,000 bushels,
and Patten expects to pay for 1,200,000
more this week. At its maxi-
mum the Patten corner involved
holdings of 18,000,000 bushels, with
an additional 20,000,000 held by
followers. Some of the dealers think
that at the last cash wheat will be
bid up to \$1.40 by frightened shorts,
but Patten declares he will not attempt
to squeeze. He offers to sell grain
as fast as it is wanted. Receipts
from the hard wheat district indicate
that there is no grain in the country
to meet a corner.
